Dear Parents/Carers,

We are really pleased to be able to share with you our new school website:

<https://www.ricelaneprimary.co.uk/>

I am sure that you will find this website easy to navigate and find lots of useful information about school and how you can help you child. We will keep updating it so please do have a look at it.

School badge

At the top of this letter you will see our updated school logo which now includes our nursery. All new uniforms will have the new logo on, but please do not buy them until you need to. Children are very welcome to wear school uniform with our previous school badge on for as long as you wish them to. We really don't want to feel that you have to buy anything new but we did want to update our school badge to include our full school name on it.

Some children have asked us if we are able to design a school tracksuit for them to wear for PE. We are currently looking at this and will update you when we have information about this.

Snacks

We have changed our procedures in school and now all children in each class are able to have free fruit for their playtime snack. If you do wish to send snack into school for your child please do not send them in with bars of chocolate or sweets.

Children in school have also asked us if they can have more residential visits in other year groups and again we are currently looking at this for next year.

If we can help you with anything please do let us know and thank you for your continued support.

Mrs L Roach
Headteacher
