28th April 2022

To Parents/Carers of Year 6

SATS week breakfast – Monday 9th May 2022 to Thursday 12th May 2022

We are very proud of the efforts being made by our Year 6 pupils as they prepare for their SATs papers and would like to thank you for the support that you are giving your child at home.

We will be running a breakfast session for Year 6 on SATS week. The aim is for our Year 6 children to have a calm and relaxing start to the day enjoying breakfast with their friends and teachers. We wish to minimise any pressure that the children are feeling on the morning of each test and encourage them to eat and chat with their friends.

As a school we do our best to prepare your children for the tests and the transition to secondary school. We realise that some of you may have been concerned about the amount of work that your child has been set but as well as preparing them for the tests it does help them to be ready for Year 7.

The SATS breakfast is another way in which we want to support your children and try to add some fun to these national tests.

We would be grateful if the children could arrive at 8.15am and enter through the KS1 hall doors. There is no charge for this breakfast club and no need to book. This is just for year 6 and unfortunately, we are not able to accommodate siblings from other year groups. Our usual breakfast club is available to book for siblings at a cost of £4 and can be booked on PAY360. Please do contact school if you need any help.

The breakfast will consist of:

Cereal – a choice of Cheerios, Rice Crispies and Cornflakes
Toast/Bagels with spread, jam or marmalade
Fresh Fruit
Orange juice, milk or water

Dietary requirements will be catered for

On the Friday to celebrate the conclusion of SATs week the children will have a relaxing day with fun sports/activities and extra treats.

Many thanks for your continued support

The Year 6 Team
