23rd May 2022

Dear Parents/ Carers,

As you know, safeguarding children in school, is a priority for us and as such we needed to make some changes to the home time arrangements by the nursery exit. We put a temporary structure in place to ensure the safety of nursery children and closed the gate outside of nursery so that parents/ carers didn't routinely cut through the upper school playground when leaving school.

We understand that this may be frustrating for parents and children having to walk around the playground but at the time it was the safest option for us.

We have now changed nursery collection and drop off procedures and any parent/carer collecting a child from nursery will go into the nursery class at 3.30pm to collect their child. This now means that the small gate by nursery will be open from 3.10pm for parents to use to walk onto the playground and it will remain open until all children have gone home.

This gate to the playground will also remain open for morning drop off.

These changes will take effect from Monday 23rd May 2022.

Thank you for your support for helping us to keep our children as safe as possible.

Mrs L Roach
Headteacher
